A day in the life of a Student Experience Leader!

7:30 - Off to breakfast we go, leading my students and group leaders to the most important meal of the day! Enjoy a hearty breakfast and talk and chat with the students about how they are getting on!

8:30 - After breakfast I head back to the boarding house for some house admin with a check on various rooms to ensure the accommodation has been left in good order ahead of the cleaning team's arrival!

9.15 - Some down time, might head off for a bit of shopping or even get active with a visit to the on-site gym.

11.30 - Student Experience Team meeting. We run through today's plan and make sure everyone is happy with what they are doing. This is a great time to catch up with the team and ask lots of questions about the day ahead. I'm allocated to swimming, which will be great fun!

12:30 - It's lunchtime for the students and staff so I head over with the team to grab some much-needed fuel ahead of the afternoon's activities.

13.30 - It's registration time for the students, so we meet up and I group together those students who are allocated to my activity. It's pool time!

14.00 - Students undertake their swim test, and then we are ready to go. There is swimming with some games thrown in. How did I get so wet stood on the side?!

15:00 - Everyone heads back to the meeting point to take part in another activity, where refreshments are available for both staff and students.

15.30 - It's sports afternoon, my specialty, with some serious tennis coaching for the students. It's such great fun coaching the students and playing the sport I love.

17:30 - Afternoon activities are over and it is now time for dinner. I think everyone is hungry, including me.

19:00 - Evening activities, which tonight involves traditional sports day events. The whole campus is involved and very excited. I'm responsible for recording the finishing times and awarding the points. No pressure!

22:00 The evening activity was a great success and we head back to the accommodation for some relaxation before bed.
